Covid 19 – State of Emergency

In an effort to reduce foot traffic into the Police Department lobby during the Covid – 19 State of Emergency, we are asking residents to come to the station for emergency situations only. We are requesting that you call the business line at 508-476-3333 for all non-emergencies and continue to utilize 911 for all emergency police, fire and medical calls.

All accident reports and records requests can be processed by phone 508-476-3333 or email at dbloem@douglasma.org

If you require a Motor Vehicle Crash Operator Report it can be found at: <https://www.mass.gov/doc/motor-vehicle-crash-operator-report/download>

Please Submit the police department copy to the following address by mail:

For Property Watch requests please call Dispatch at 508-476-3333 and they will assist you in scheduling a property watch for your vacation or extended leave from your residence.

Due to the Covid – 19 virus and all the uncertainty that surrounds it, we will not be able to accept your food donations at this time. Many of you so graciously deliver us food on a regular basis and we greatly appreciate your thoughtfulness, however, until further notice we will not be allowed to take in any food or drink.

Please know that we will work diligently through this State of Emergency and continue to provide you with the most professional police service possible.

Thank you for understanding and stay safe!
