Public Notice #16
2020 Coronavirus Response

May 4, 2020 11:00 AM

As of 11:00 a.m. this morning, the Town of Douglas has had a total of 28 confirmed cases of COVID-19. The Town's first case was confirmed on March 24.

Today's total number of 28 is up from 22 cases among current residents reported one week ago. There are 8 people actively quarantined at 6 different addresses.

On Friday, the Governor issued an order that all persons over the age of 2 who are in public spaces where physical distancing is not always feasible, including, for example, convenience stores, liquor stores, and supermarkets, must wear a mask that covers the nose and mouth.

The gravel parking lots at Wallum Lake that typically handle overflow parking have been closed by DCR to prevent people from congregating.

Those needing assistance in the form of delivered meals should sign up through the Town's website. Volunteers and donations are welcome, and should be coordinated through the Adult Social Center at 508-476-2283.
