

## ***Local Cultural Council Openings***

The Douglas Cultural Council is always accepting applications. This is a 3 year volunteer appointed position. The Douglas Cultural Council must have five (5) members to receive money from the state to fund local cultural events and programs. The Council often pays for performers at Octoberfest, storytellers at the Library, and other events of interest to the public. This is a three-year term. They only meet a few times per year. Be part of our local culture.
