

APPROVED 2/18/2025

STAKEHOLDER COMMITTEE  
MONDAY, JANUARY 27, 2025  
RESOURCE ROOM

Attendance: Chair Les Stevens, Carol Gogolinski, Colin Haire, Mike Zwicker, Adam Furno, Matt Benoit

Absent: Vice chair Margaret Bacon

Les Stevens called the meeting to order.

1. (0:45 TS) Review draft stormwater bylaw

Both Nick the town's consultant from CEI and Town Counsel were not in favor of putting a date on the map, but the committee agrees that they want it dated so that you have to go back to town meeting for reference and information. The committee decided on the verbiage of 'The purpose of this bylaw is to meet, and not exceed, the minimum requirements'. They discussed additional revisions to be made with the new comments from Nick and Town Counsel. They are going to send the draft to Planning, Conservation, Water/Sewer Department, Finance Committee, Building Facilities Construction Committee and the Selectboard.

2. (17:45 TS) Review draft stormwater regulations

They will hand them off to the Planning to finish it out.

(26:00 TS) The Committee discussed the next steps of dissolving the committee and approving the last of the minutes when they meet with the Selectboard.

(27:55 TS) Motion to adjourn the meeting made by Mike Zwicker, 2<sup>nd</sup> by Colin Haire. The vote passed unanimously.

Respectfully submitted,

Stephenie Gosselin
